NON-DISCRIMINATION

The Board of Education will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, ancestry, disability, pregnancy, genetic information, or gender identity or expression, except in the case of a bona fide occupational qualification.

It is the policy of the Board of Education that any form of discrimination or harassment on the basis of race, religion, color, national origin, sex, sexual orientation, marital status, age, disability, pregnancy, genetic information, gender identity or expression, or any other basis prohibited by state or federal law is prohibited, whether by students, Board employees or third parties subject to the control of the Board. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics. It is also the policy of the Board of Education to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, disability (including pregnancy), or gender identity or expression.

For the purposes of this policy, "genetic information" means the information about genes, gene products, or inherited characteristics that may derive from an individual or a family member. "Genetic information" may also include an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

For the purposes of this policy, "gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.
